*Administration*

**SUPERINTENDENT**  
Mr. Ray Nelson

Schools play a vital role in our modern-day society. In any school system, no matter how great or how small, a capable faculty and administration is necessary if the students are to receive a good education. Cameron High School is proud to have Mr. Ray Nelson as its superintendent and chief adviser.

*Administration*

**PRINCIPAL**  
Mr. William G. Webb

For many students, these four years are merely a series of classroom experiences; for others, they are filled with the satisfaction of knowing that each one has done his best. To help each student to develop all of his abilities is one of the goals of our principal, Mr. William G. Webb.

Erik Larsen is Cameron High School's first American Field Service student. He came to the United States from his home near Svinninge, Denmark. Svinninge, a town of about 1500 people, is located 50 miles from Copenhagen, the capital of Denmark.

Erik's father, Henry, works on a farm, and his mother, Inge, is a homemaker. He has one older sister, Else, and two younger brothers, Henning and Jorgen. According to Erik, theirs is a typical Danish family.

During his stay in Cameron, Erik has made many friends because of his warmth and sincerity. One of his comments is, "I really like it here. All of the people are so friendly and so good to me." And, indeed, we no longer think of Erik as a "Stranger," but we know and respect him as a friend.

ERIK LARSEN

Erik and his American family, the Connells.

With Hammy's help, Erik experienced American football.

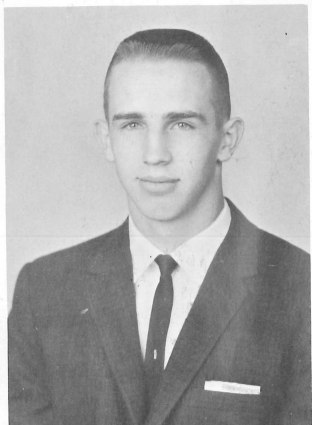

President, Barry Estell

Not only is Cameron High School's student governing body active in the school itself, but also it takes part in the Tri-County Association of Student Councils, the Missouri Association of Student Councils, and the National Association of Student Councils. This year Cameron is Treasurer School of the Tri-County Association, and it takes part in the MASC Convention and Workshop.

Membership in the Council consists of the four officers elected in the spring, two representatives from each class, and one representative from each organization. Faculty sponsors are elected at the beginning of each school year. This year Mr. William G. Webb, Mr. James A. Nickell, Mrs. Darlene Garlock, and Mr. Donald Cline are serving as sponsors.

### Council

Even before the 1963-64 school year began, the Cameron High School Student Council had started to work. They sponsored an Orientation Day for freshmen that was the first of many projects during the year. As the year progressed, they sponsored all of the Homecoming activities, the Christmas Dance, the Student Council elections, and the popcorn stand at all of the football and basketball games. They also acted as hosts for the Open-House and solicited for the annual "Y"-Drive. The members of the Student Council witnessed the realization of one of their dreams when they made Cameron High School's first foreign exchange student, Erik Larsen, an honorary member of their organization. The annual picnic at Wallace State Park completes another year of activities for this organization.

Membership in the National Honor Society is one of the highest achievements that an individual may attain in high school. Students are elected to the Society by the faculty on the basis of their character, scholarship, leadership, and service. The purposes of the organization are to create an enthusiasm for scholarship; to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character.

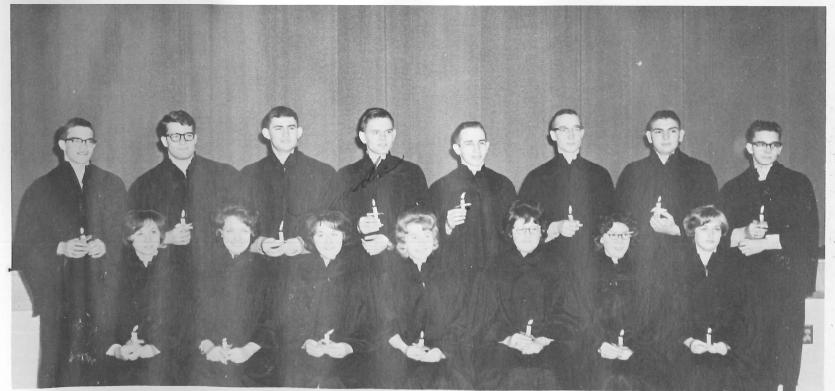

The Cameron Chapter plans various activities throughout the year to carry out its goals. Highlights of the year include a party for freshman and sophomore honor roll students, a program for the Quad-Co School, the induction of new members, and a banquet at the end of the year. These projects are supervised by the sponsors, Mr. William G. Webb, Mr. James A. Nickell, Mrs. Marian Mitchell, Miss Lynn Phelps, and Mr. Donald Cline.

Striving to further the development of public speaking as well as dramatics is the goal of Masque and Gavel. This goal is carried out at each monthly meeting by the presentation of skits, playlets, poems, prose readings, and original speeches on appropriate topics. Each member, upon his induction into the Society, must repeat the Masque and Gavel pledge and display his talents in either dramatics or public speaking. During the year the group goes to see a live theater production in Kansas City, sponsors the annual Masque and Gavel One-Act Play Festival, and has a picnic at the end of the year in addition to having monthly meetings.

Kathie was dead but we won't say who with!

It has been an honor for me to be editor of The Tank for 1963-64. I have enjoyed working with Miss Phelps, Lou Jean, and the Publications Staff in editing this year's school paper. Lou Jean and I hope you have enjoyed each issue as much as we have enjoyed working on it.

--Kay Hancock--

*Tank Editors*

*Mystic Editors*

At the beginning of this year, we of the Mystic Staff set for ourselves a goal. That goal was to make the 1963-64 Mystic a better yearbook than ever before. It has been my privilege to serve as editor on this year's Mystic Staff. A lot of thought, time, and effort on the part of all the members of our staff has been put into each and every page of this yearbook. If this Mystic comes to be a treasure of memories for you in the years to come, I feel that all the work will have been worth while and we will have achieved our goal.

--Patsy Lakaytis--

Being Mystic Co-Editor has been truly a rich and fulfilling experience for me. I would like to take this opportunity to thank everyone involved, especially Miss Phelps, for the much-appreciated hard work it took to compile this annual.

Nineteen hundred sixty-four, the year of transition from the old to the new, also holds true for our Mystic. We have broken a few traditions in an attempt to produce a new and better Mystic for you, the student body of C. H. S. It is my sincere wish that the memories captured within these pages will last and live forever in your hearts.

--Janice McCord--

It has been a great honor to be co-editor of The Tank this year. The Tank has been a new undertaking and challenge for me, I know now how much hard work and extra time goes in on making a paper the students and teachers will be proud to read.

I would like to thank Miss Phelps, Kay, and the other fine members of the Publications Staff for their help in putting out a Tank that everyone can be proud of.

--Lou Jean Schnack--
